

Amy E. Eskola

Ms. Eskola is an associate in the firm's Corporate and Real Estate Practice Groups. She offers clients a competitive perspective in a variety of areas including entity formation, contract negotiation, real estate transactions and corporate governance. Clients value her ability to provide real-life solutions to challenging problems based on their unique and individual needs. Her real estate practice includes negotiating and drafting purchase and sale contracts, licenses, easements, leases; due diligence; title examination; construction contracts; financing; land use and zoning matters, and all aspects of development.

Ms. Eskola values any opportunity to give back to her community and is committed to volunteering her time to organizations and causes she is most passionate about. Prior to joining Messner Reeves, Ms. Eskola worked for a Minnesota-based nonprofit organization aimed to provide life skills programs for at-risk children using participation in sports to empower youth, improve lives and unite communities.

Outside the office, Ms. Eskola enjoys heading up the mountains to snowboard, trying as many new restaurants as possible and brushing up on her calligraphy. She never misses a Broncos game and loves spending as much time as she can with her handsome Bernese Mountain Dog, Murdoch.
